Paper Title

Look there is some text here. (DeBenedictis)

Notes

1. Danhof includes “Delaware, Maryland, all states north of the Potomac and Ohio rivers, Missouri, and states to its north” when referring to the northern states (11).

2. For the purposes of this paper, “science” is defined as it was in nineteenth century agriculture: conducting experiments and engaging in research.

3. Please note that any direct quotes from the nineteenth century texts are written in their original form, which may contain grammar mistakes according to twenty-first century grammar rules.
